The City of Hamilton is pleased to make our citizens aware of a program that will benefit a vitally important part of our city, the **Hamilton Volunteer Fire Department**. The City of Hamilton can offer a way for you to donate to this worthy organization. We offer the different options listed below for ease of donating if you wish to help continue to make this organization available for emergencies that could occur in yours, a friend or loved one's future.

The City of Hamilton provides pumper trucks, facilities and equipment within the city, however, their service area goes beyond the city limits. The trucks and equipment used outside the city limits are owned and paid for by the **Volunteer Fire Department** with money obtained by donations, fund drives, and grants when applicable. This equipment is used as needed for fires, accidents and all other emergencies.

The **Hamilton Volunteer Fire Department** has always been there for us. Shouldn't we be there for them? Your donation will help them keep us safe. They do so much with so little. Pocket change can make a difference. I ask you to consider a monthly donation from one of the following options. The full amount you agree to donate will be added to your total monthly water utility bill and will be transferred to the **Volunteer Fire Department** at the end of each month.

_____ **Option # 1: Round up to the nearest dollar from the total due on your monthly water utility bill.**

_____ **Option # 2: Enter the amount that you wish to contribute on your monthly water utility bill: \$ _____**

Please choose one of the options listed above and return to the City Utility Department.

Respectfully,

Rodney M Craddick, Mayor
